First Friday
Tide Pools
April 6, 2012
3:00-5:00 p.m.

Does your child know what to do in an emergency? Do they know what to do if a stranger approaches them? Welcome the Chino Police Department as they teach your children the proper way to call 911 and provide stranger danger safety tips. Participants will have an opportunity to explore a real police car, take home a finger printing kit, and make a 911 craft to practice dialing 911 at home.

Back by popular demand, Captain Carl will share his mobile tide pool which includes native creatures of the Pacific Ocean. Guests will have an opportunity to interact with the sea creatures, and children will be able to enjoy a snack and art project.

Remember our First Friday events are FREE!

Please note that in order to prepare for First Friday events, the Museum closes from 2:00-3:00 p.m. every First Friday.

The Museum would like to thank Disney VoluntEARS Community Fund for sponsoring the March and April's First Friday events. If you or your business is interested in sponsoring a First Friday event, please call 909.464.0499.
